

You are invited to join the AIVER Team as we work to better the quality of human life.

*Until a few years ago, AIVER was wholly funded by private contributions from a small number of individuals. Changes in the economy have made it impossible to continue in this fashion.*

*AIVER has received major research grants totalling more than \$1,000,000 from private corporations and foundations. However, these funds are all committed to ongoing research. Generous private support is needed to permit new research in the coming years.*

*We invite you to join with us as we continue the work that is still to be done — work in areas of prevention, diagnosis, treatment and rehabilitation.*

*AIVER is a not-for-profit 501(c)(3) corporation; contributions are tax deductible to the extent allowed by law. We, and the patients who are in need of advanced knowledge and care, thank you for your generosity.*

***I/We would like to make the following contribution to AIVER:***

- Benefactor — gift of \$10,000 or more*
- Patron — gift of \$5,000 or more*
- Sponsor — gift of \$2,500 to \$4,999*
- Friend — gift of \$1,000 to \$2,499*
- Associate — gift of \$500 to \$999*
- Member — gift of \$100 to \$499*
- Supporter — gift of up to \$99*
- My company offers matching grants. I have enclosed the proper forms.*
- Please contact me.*
- I would like to have a private consultation to discuss a major grant, endowment, or bequest.*
